

## Adoption or Fostering Needed ....

One lady started Spirithorseequinerescue.org. Located in Janesville.  
She needs help now with about 30 animals  
consisting of mostly mini horses, 1 burro, 2BLM mustangs  
She has the largest horse rescue in Janesville.

There were approximately 90 animals that were rescued in this mission.  
Need to find good homes immediately.

The animals need adoption or fostering until adopted into "good homes".  
<http://www.aspenhillranch.com> is running a blog on this rescue mission

The mini horses/burro mini crosses/ARE free to good homes. .Must have safe horse fencing, shelter, good feed. These are mini horses which are not much larger than a dog. These animals were on a property with BONES all over when rescued. They are the survivors. Some are very wild and need patience and taming. See the blog -<http://www.aspenhillranch.com/> and read about what takes to work with these animals.

There are 25 available for adoption --please send in form, join the organization and help shelter foster if you do not want to adopt help a little horse, until adopted --they are now on land with no shelter-they need foster homes ASAP
